**Entry Discussing F.B.I. Defendant's Motion for Summary Judgment**

As used in this Entry, the term "F.B.I. defendant" refers to Robert S. Mueller III, Director, Federal Bureau of Investigation.

The evidentiary record shows without dispute that all F.B.I. background checks have been conducted and their results forwarded to the appropriate agency. There is no further action the plaintiff seeks of the F.B.I. defendant in this case. The claim against him is moot. *Forbes v. Trigg*, 976 F.2d 308 (7th Cir. 1992), *cert. denied*, 113 S. Ct. 1362 (1993).

The claim which is moot is dismissed for lack of jurisdiction and the F.B.I. defendant's motion for summary judgment is granted to that extent.

*No partial final judgment shall issue at this time as to the claim(s) resolved in this Entry.*

**IT IS SO ORDERED.**
